A special place for learning in the Southwest Metro.

Purchased in 2015, Green Circle is a creatively repositioned two-story building located within Minnetonka's quiet Opus Park. We transformed this one-time office building from the 1980s into the new home of Lionsgate Academy, a public charter school geared toward educating students on the autism spectrum and others with unique learning needs.

With its peaceful landscaping and proximity to biking and walking trails for exploring, Green Circle offers Lionsgate a special place to teach and learn. The building provides excellent access to highways 169 and 62, as well as the I-394 and I-494 corridors. Among the property's most popular amenities is a reimagined warehouse, transformed into a sport court that doubles as the school's theater.

As an esteemed community partner and long-term Wellington tenant, Lionsgate Academy fulfills a largely underserved need in our education system within the Twin Cities. While the Academy's Minnetonka location serves the western metro, the eastern metro is served by the school's Shoreview location at Wellington's Cardigan building. Both properties were creatively converted to cost-effectively fulfill the school's unique requirements.
