Windom Neighborhood

Urban department store-inspired retail for our South Minneapolis neighbors.

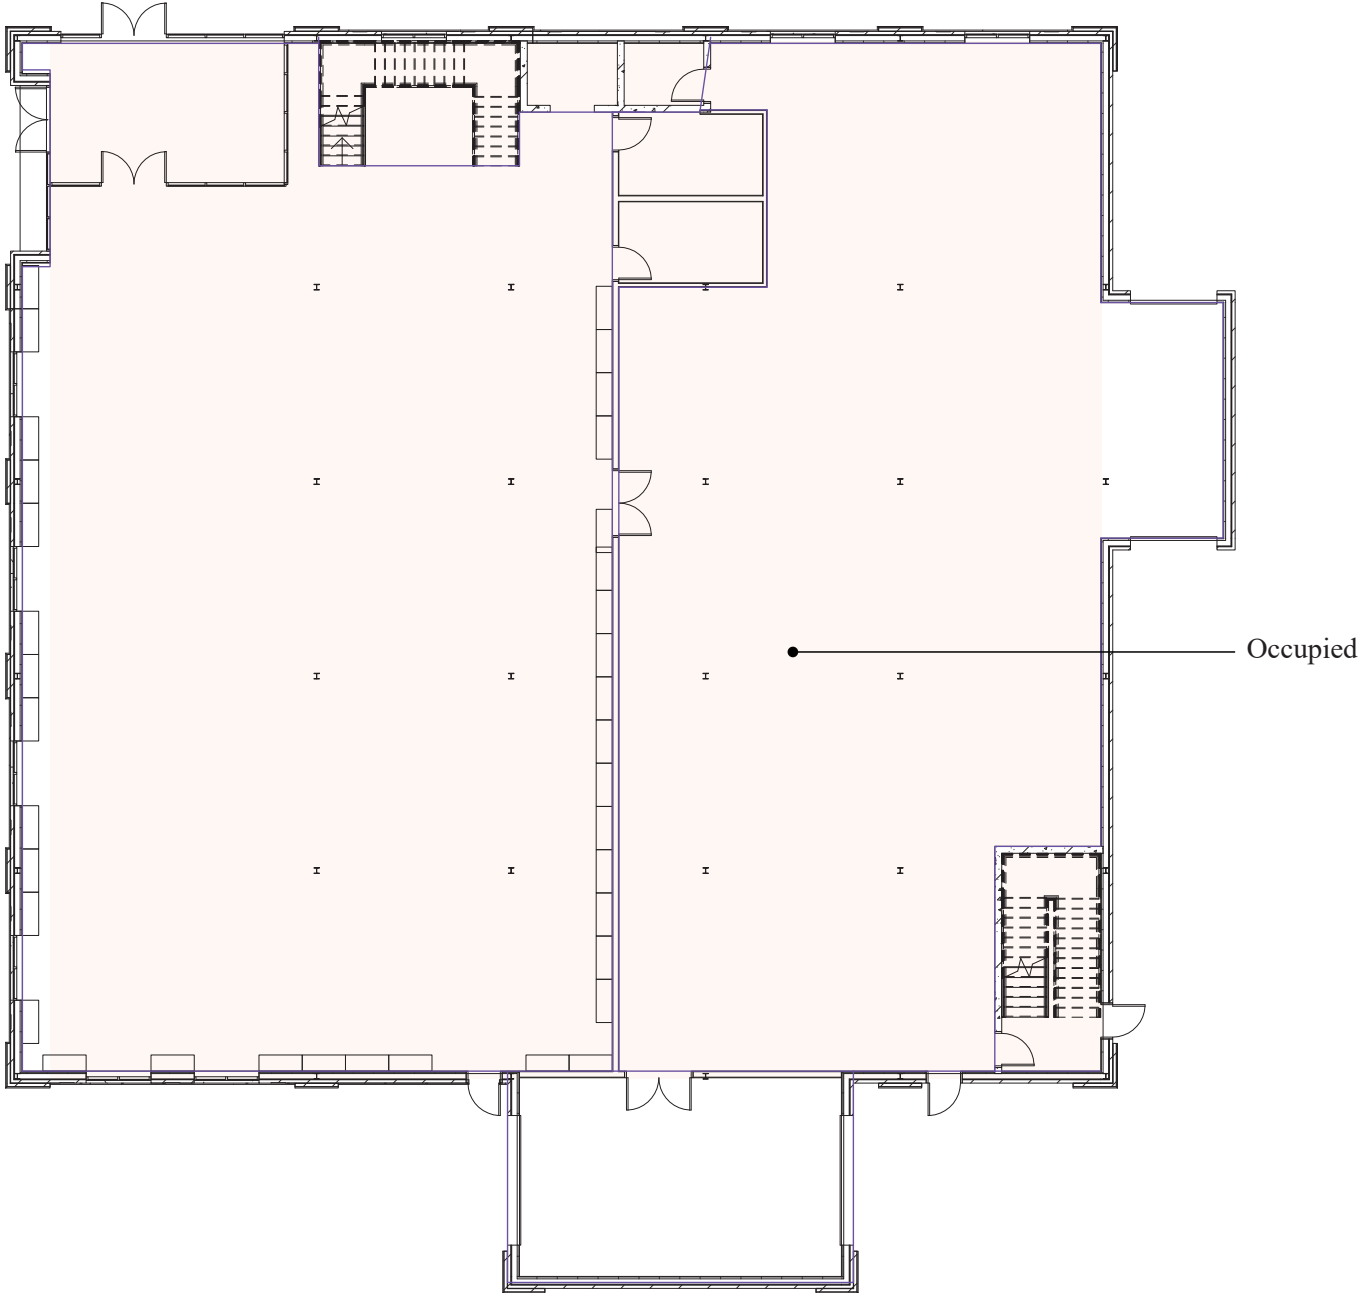

Nicollet Goodwill is an impressive single-tenant retail building located near the intersection of 60th Street and Nicollet Avenue. This was Goodwill's first urban two-story retail store in Minnesota, as well as the company's first location within Minneapolis city limits. The architecture was inspired by traditional urban department stores with brick details and larger street side windows for views into the store on both levels. The property is surrounded by a diverse mix of other retailers and dense residential.
