Stylish office space across the river from Downtown St. Paul.

The newly remodeled Runway 52 office building is located immediately across the Mississippi River from downtown and adjacent to Holman Field Airport with easy on and off access to Highway 52.

Built in 1981, Runway 52 offers beautiful office space with stunning views of the skyline and the Mississippi River. After acquiring the property in 1994, Runway 52 required an extensive renovation and was updated again in 2020.
