# The Offering

Wellington Management is pleased to present Randolph Square, the fourth building within River Bend Business Park on the Mississippi's east bank. The 22-acre office/industrial park is situated between Shepard Road and the Mississippi River at Randolph Avenue, just blocks from the revitalized West 7th Street Business District and within 5 minutes of downtown.

Randolph Square has been designed to deliver an inspiring work environment that meets the State's unique needs and supports the recruitment and retention of valued employees. The 82,000SF office building will offer striking views of the Mississippi River valley, along with lifestyle amenities like a café, fitness facility, bicycle access and rooftop deck. The Minnesota Regulatory Licensing Board will anchor the building with 64,000SF of space, with about 13,500SF of leasable space remaining.

In partnership with the St. Paul Port Authority, Wellington began developing River Bend in 2005 and will continue to manage buildings 1-3 (180,000SF), which are fully occupied and jointly owned. Randolph Square will be delivered to the Licensing Board and additional tenants later this summer.
